## PRODUCT DESCRIPTION

A light, compact and practical snake bite specific kit designed to be a portable injury specific module when outdoors or where snakes are an identified risk. Complete with the AeroForm Snake Bite Bandage to ensure correct pressure is applied to the affected limb.

This kit is available in a Versatile Softpack reinforced fabric bag - all our bags are available with custom labelling.

This product is not a substitute for direct medical attention from a healthcare practitioner. Always read the label and follow the directions for use.
