More Than Electrolytes: A comprehensive blend of electrolytes combined with B-vitamins, vitamin C, L-Theanine, and Glutamine for full performance support.

Recovery & Performance Focused: Supports muscle recovery, cognitive function, and sustained energy to help you perform at your peak, no matter the challenge.

Hypotonic Formula for Rapid Hydration: Scientifically designed for faster absorption than traditional sports drinks, ensuring quick and effective rehydration.

High-Quality Assurance: Formulated and manufactured in Australia with third-party testing to ensure potency and purity, made in a GMP-certified facility.

Clean Ingredients, Delicious Taste: No artificial colours or flavours, gluten and dairy-free, and with no added sugar. Just rip, tip, and sip—mix with 600ml of water.

Directions For Use

Rip, Tip & Sip

Simply mix one sachet to 600ml of water in a shaker or glass, shake and consume slowly for maximum absorption.

Ingredients

Glycine, Mineral salts (Sodium Chloride, Potassium Chloride, Calcium Citrate Tetrahydrate, Magnesium Chloride), Rice Maltodextrin, Natural Flavour, Citric Acid, Glutamine, Silica Sipernat, Sea Buckthorn, Natural Colour, Thaumatin, Panmol B, L-Theanine.
